

LETTER FROM LEADERSHIP

A family's journey through medical challenges can be daunting, but at RMHC Dayton, it can also be filled with moments of love, laughter, and support. Thanks to you, every family who walks through our doors finds more than just a place to rest. They find a home. A place where friendships are formed, milestones are celebrated, and hope is renewed.

In 2024, your support helped us care for 1,969 families from 28 Ohio counties, 19 states, and 22 countries. Even with limited space and ongoing uncertainty surrounding the completion of our new House, our team worked tirelessly to provide warmth, comfort, and peace, ensuring each family felt cared for and uplifted during their stay.

None of this would be possible without you. Your generosity, kindness, and belief in our mission make a lasting difference every day.

From the bottom of our hearts, thank you for being part of our RMHC Dayton family. We look forward to what's ahead, with open arms, open hearts, and a shared commitment to keeping more families close when it matters most.

Sincerely,

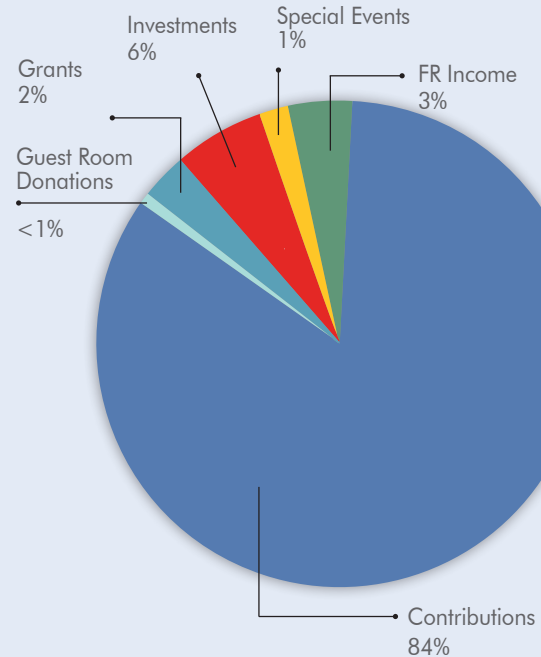

Rita Cyr, Executive Director, RMHC Dayton

KEEPING MORE FAMILIES CLOSE

2024 has been a year of transformation as our new Ronald McDonald House takes shape. With construction progressing, we are preparing to welcome families into a space that will triple our current capacity and provide even more nights of comfort, care, and hope.

Very soon, we will be celebrating the opening of our first 21 guest rooms and staff offices. The remaining 21 guest rooms are set to open in early 2025, bringing our total to 42 guest rooms. This expansion ensures that more families can stay close to their children during critical times of need.

The support from our community has been nothing short of extraordinary. Because of your generosity, this long-envisioned expansion is becoming a reality. While major milestones have been met, funding opportunities are still available to fully complete the project and ensure we can provide every comfort possible for the families we serve.

We extend our gratitude to everyone who has contributed to this journey. Together, we are making it possible to care for more families, strengthen our community, and keep children and their loved ones close when it matters most.
