Chinmay was only seven years old, but he wanted to do big things..

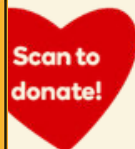

Be the tallest person in the world, travel to all countries, and visit all 50 states in the USA.

Walking 5.5 miles was one of his wishes

This year, we'll walk 5.5 miles again in his honor to celebrate his beautiful heart, big ambitions, and the wonderful impact he had – and continues to have – on many, while raising funds to support Ronald McDonald House of Cincinnati and Dayton.
